RE: CP27-13-000, Eastern Gas Transmission & Storage, Inc. Project Stratum

Dear Secretary Reese:

I am writing to express our strong support for Eastern Gas Transmission & Storage, Inc. (EGTS) and its Appalachian Reliability Project. I commend EGTS for its ongoing commitment to meeting the growing energy demands of the region in a safe, reliable, and responsible manner.

The Appalachian Reliability Project represents an important investment in strengthening energy infrastructure and ensuring sufficient capacity to serve communities across our region.

The company has demonstrated a strong commitment to community engagement, maintaining open lines of communication with both the Township Board and their Emergency Services. I believe this project will provide significant benefits to their community and the region.

Thank you for your consideration. I support Eastern Gas Transmission in their application.

Sincerely,

Stephanie Borowicz
